- Project management

Constantine Ferreira

WEB DESIGNER

I love making websites that look absolutely stunning and amazing. I'm more of a professional free-lancer, but I have experience with AI, API's, PORT forwarding.

EXPERIENCE

SENIOR WEB MANAGER RAVENTRADATAQUANTIX, INC.
Aug 2025 - Current

Oversaw all operations and web management, including course pricing, instructors and employees. Currently, the site is down as we are working on a massive rework, of which I am the head and overseer of.
